Israt Zarin

izarin2@huskers.unl.edu

531-248-2575

Avery Hall, University of Nebraska-Lincoln, Lincoln, NE, USA

EDUCATION	
Spring 24 – Present	University of Nebraska-Lincoln, Ph.D. Major: Computer Science and Computer Engineering Expected: 2029
May 2021	Jahangirnagar University (JU), Master of Science (M.Sc.) in Computer Science
May 2019	American International University-Bangladesh (AIUB), Bachelor of Computer Science and Engineering
ACADEMIC EXPERI	ENCE
Fall 2024-Preseant	Graduate Teaching Assistant
Spring 2024	Computer Science, University of Nebraska-Lincoln Graduate Teaching Assistant Computer Science, University of Nebraska-Lincoln
2020-2023	Lecturer Computer Science, Uttara University, Dhaka, Bangladesh
SKILL_	
Hard Skill:	
□ Programming Language:□ Database: SQL Server, N	
Soft Skill:	
□ Communication skills□ Problem solving□ Teamwork/collaboration	
RESEARCH INTER	REST
☐ Image processing☐ Natural Language Processing	cessing

☐ Machine Learning

☐ Wireless Network security ☐ Cryptography	
PUBLICATIONS	
□ "SWINC: Secured Wireless Intelligent Network Using Cryptography "ICO2022(Published) □ "Execution examination of different edge detection algorithms" (IEEE)ISMODE 2022" (Published) □ "Evaluate Performance of Several Edge Detection Techniques on Medical Images"
